Torin - Look your majesty, you're obviously upset over Linh Cinder.

Kai - I'm not upset.

Torin - Your majesty, we found you in disguise in the marketplace throwing rocks at couples.

Kai - Why should they be happy?!

Levana - Chan, I don't know how to tell you this, but you're... shallow.

Channary - Shallow..?

Channary - This is such a relief! I thought it was something serious, like I was ugly or something.

Cinder - Goodnight.

Thorne - Sleep tight.

Winter - Don't let the bedbugs crawl into your ears and whisper threatening things that make you question yourself.

Jacin - What the actual hecc.

Kinney - You're such an insufferable program of wires!

Iko - Well at least I'm not a crater - head!

Cinder - *muttering* Oh just kiss already.

Iko - What, Cinder?

Cinder - What?

Kai - Okay, let's stop using the term 'butthurt'. We're not kids anymore.

Thorne - You sound fannytroubled.

Scarlet - A little booty bothered if you ask me.

Cinder - Someone's having a tushytantrum.

Kai - Cinder, you too?

Kai - Okay. Tell me how you introduce yourself and maybe we can give you some tips on how to be friendlier.

Cinder - *flips blade out of her finger* It's knife to meet you.

Thorne - Okay, so we need to completely start afresh.

Jacin - Do you like the food I made?

Thorne - No, not really.

Jacin - But I put my heart and soul into it!

Cinder - No wonder it tasted cold and dead.

Scarlet - Hi, I'm looking for someone who goes by the name Wolf Kesley?

Police Officer - Looks like the hulk and cries when you give him a tomato?

Scarlet - Yeah, that's him.
